Color & Stitch Quilt Class

JAN. 17 OR MAR. 9, 2024

Quilters LOVE fabric! Honestly, who doesn't, right? We're offering this class as a review of how fabric choices impact the final quilt result. We've all made quilts with results that were not quite what we were hoping to see. Let's talk about how to achieve better results in the future! We'll also discuss quilting choices and how that can impact the success of any quilt. PowerPoint and other materials will be used.

Cost: \$35 per person
